

Interstate and State Route Signs

The Tennessee Department of Transportation (TDOT) is responsible for the maintenance of all signs on the interstate leading up to, but not including signs at the end of the ramp. Blue motorists services signs identifying businesses providing gas, food, lodging, camping, etc. both on and off the interstate are maintained by TDOT. TDOT also maintains all state and federal route marker signs and log mile signs in Johnson City. To report problems with any of these signs call TDOT at 952-0176.
