

Traffic Division

The Traffic Division is a division of the Johnson City Public Works Department. The Traffic Division adheres to the standards of the Manual on Uniform Traffic Control Devices (MUTCD) for the installation and maintenance of traffic control devices. The MUTCD is a national standard to provide consistency in the types, sizes and placement of signs, signals and pavement markings.

Below are some of the activities of the Traffic Division:

- Signs for Traffic Control
- Traffic Signals
- Traffic Calming
- Pavement Markings
- Street Lights
- Work Zones
- Incident Management
- Traffic Counts

See some of the new initiatives we are working on to better serve the public.

- LED Traffic Signal Modules
- Video Detection
- Wet Reflective Pavement Markings
- Intelligent Transportation Systems (ITS)
- Improved Signing
